- The quality of finish including dimensions, joints, and appearance involved in the top layer

How to make a claim:

If you have found a fault or problem with your floor, please initially contact the retailer from whom you purchased the floor, and ask them to send a letter of explanation and a proof of purchase to us at Woodpecker House, 26 Pant Glas Industrial Estate, Bedwas, Caerphilly, CF83 8DR.

The Claims Process:

1. Your claim will be received and assessed by one of the team at Woodpecker Flooring.
2. We may ask to view the floor on site in order to justify your claim.
3. If your claim is accepted, the next step will be one of the following:
 - a. in the case of a significant defect or problem in the floor which makes use of the floor implausible or particularly difficult, we will replace the product with a like-for-like flooring.
 - b. in the case of a small defect which reduces the usability of the floor, we will offer to repair or provide a discount on occasions where a repair may not be possible.

1. The warranty is only valid in the country in which the flooring was purchased and original home of installation.
2. 100-year warranty against sustaining major structural damage.
3. The warranty does not exclude, limit or suspend your rights resulting from discrepancies between the goods and the agreement, except for products for which the warranty period has been defined differently.
4. The warranty does not apply where flooring: was damaged from improper transport and storage conditions which did not take into account the specific nature of the product, was installed despite visible defects (faulty boards should not be installed, but left aside for replacement), was damaged from assembly errors (not following the installation guidelines supplied with the product, or commonly accepted principles of the trade),

changed from its original shade with the passage of time (wood darkening from sunlight or natural ageing), was modified or repaired without a written confirmation from Woodpecker Flooring, and when any changes or repairs have been made by persons or companies not providing professional services of this type, was damaged from improper use and conservation, and in particular:

- a. damage from moisture in the sub-floor and in walls, flooding, leaks from elements of water and sanitary installations or other similar events, which resulted in penetration of moisture into the wood.

 - c. damage from the impact of hard objects (objects with sharp edges, shoes, heels), local dents, damages from moving objects across the floor without felt protectors, surface damages from animal claws, as well as rubbing and scratching from sand or dust brought onto the floor with dirty shoes, as well as regular wear of the surface.
5. The warranty does not apply to claims about the flooring's natural variations in colour and structure, which may occur within a given species, grade or production batch.
